PROFILE SUMMARY

Innovative and detail-oriented Front End Developer with a strong foundation in HTML, CSS, JavaScript, and modern frameworks such as React.js. Recently graduated with a degree in Information Technology, I am eager to bring a passion for user-centric design and a commitment to developing visually appealing, responsive, and functional web applications. Demonstrated ability to learn new technologies quickly and work collaboratively in a team environment. Seeking to leverage my programming skills and creativity in a challenging role that allows for continuous growth and development.
